Before you proceed, please close and exit out of any Citrix or Horizon (VMware) sessions running on your computer

- 1. From your personal Mac device, click on *"Download Webex Meeting Optimization Client (Personal Devices Only)"*. After clicking on the link, you should now see a new webpage
- 2. Scroll to the bottom of the page, and click on "Getting Started with Virtual Desktop Software" to expand the options. Scroll down and click "Download Cisco Webex Meetings VDI plugin", this will bring you to a help.webex.com webpage.

	(
As an administra hosted virtual de Webex Meeting client computer	ator, you can install the Clisco Webex Meetings app on a settor (HVO) on a server and them allow users to use the s app when they access the virtual desktop from a thin
